

WE LOVE LIONS!

Great Plains Assistance Dogs Foundation, Inc., is honored and privileged to have the support of Lions and Lions Clubs across the state of North Dakota and beyond. District 5NE first began to support the school and through the years other Lions Clubs have joined our team.

Lions work together to benefit people, to make their lives better.

An assistance dog from Great Plains Assistance Dogs/Service Dogs for America provides freedom, confidence and a friend to people in need.

We thank Lions Clubs and individual members for support through the years. We ask for your continued support. The needs are many and Lions are among the first to offer to serve.

Donations to the Great Plains Assistance Dogs Foundation, Inc., are tax deductible.
